

## Handcross Community Bus

Dear Residents,

I am writing to you on behalf of Handcross Community Bus in respect of a bus route on a Wednesday morning going to Horsham.

The Bus arrives at the Half Moon in Warninglid at 9.42am and at Slaugham Church at 9.47am.

At the present time it would appear that there have been no passengers using this facility over a long period - and therefore unless we have an increase over the next month or so, unfortunately this facility will have to be withdrawn.

At the present time the Friday route to Horsham via Warninglid and Slaugham will not be affected.

If you could advise the local community advising them of the above and contact me should there be any questions/suggestions.
