NB. All the fish we offer is pin boned. Please contact us for more product information.

When placing an order, please leave your name, **phone number** and full address. We will phone you to confirm payment and delivery instructions.

Following the recent government advice, we would like to help the community whilst diversifying our business by offering a home delivery service.

We are a family run wholesale fish merchant with a retail outlet at our warehouse in Pease Pottage.

We have decided during these difficult times to extend our deliveries to retail customers as well as pubs and restaurants. Therefore, we are offering this home delivery service.

This is the time to support each other.
