The role of the Slaugham Parish Planning Committee:

1. The Local Planning Authority is Mid Sussex District Council (MSDC) who has the final decision on whether planning permissions are granted or refused.
2. The Parish Council is a Statutory Consultee, which means that MSDC must ask for its opinion and take it into account, but not necessarily follow its recommendation. (The District Council can grant permission against the wishes of the Parish Council.)
3. The Parish Council has delegated its decision-making to the Planning Committee, which is authorised to express the Council's view. /
4. The Committee should take account of local planning policies, as detailed in the MSDC Local Plan (2004)
5. Members of the public attending Committee meetings are given the opportunity to speak on matters on the agenda, but should follow the procedures set down in the Council's Standing Orders
